Failand Easter Egg Hunt

We had the most beautiful weather for the Easter Egg Hunt on Sunday 20th April. Over fifteen families from Failand and the local area gathered at the Hall for Easter crafts, egg hiding, egg finding and tea drinking! Many of us stayed for a play in the playground afterwards. It really was a lovely morning. Thank you to all those who came along.

FAILAND VILLAGE HALL

Volunteer at the Fete

Many of you volunteered last year to help with the various activities and stalls at the Village Fete. We need your help again to make this years fete a success. We will be organising rotas for the serving of refreshments and help on stalls such as the tombola, face painting and games.

To get involved email Liz at lizcorny@gmail.com

Village Hall Wildlife

We've been working hard to enhance the Village Hall grounds as a place where wildlife can find a home. Our trees and hedges are good places for birds to roost as well as providing shade on hot summer days. The apple trees we planted a few years ago are showing beautiful blossom now. Keep an eye on them - there will hopefully be a small apple crop this year, for our annual Apple Day. We'd love to hear about your sightings and see any photos taken of interesting species on the grounds of the Village Hall, so do email them to us and we may be able to publish them on our website. For more information see www.failandvillagehall.org.uk/villagehall-wildlife

Join the Village Hall Committee!

There are currently eight members of the Village Hall Committee. Two of us are retiring in October 2025 and we would love to welcome new members to join us. We are a sociable group of people who meet once a month to discuss and make decisions about the Hall in the best interests of the community and hirers who use it. For more information and to let us know you are interested in joining the team email Lorraine at failandvillagehall49@gmail.com

New X6 Bus Timetable for Failand

The X6 bus service through Failand has been improved with busses running every 30 minutes as opposed to every hour as they were previously. They also run slightly later into the evening. This is great news, improving our transport links between Clevedon and Bristol. Let's demonstrate a need for the new X6 service by using it so we don't risk losing it! For more information and the timetable check out the First Bus website www.firstbus.co.uk
